Subject: Supplement No. 2 to [REDACTED] 25X1A

We are returning the original and two (2) signed copies of Supplement 2 to Contract (DD) 11425 which extends the period of performance to July 11, 1953. This is a result of a telephone conversation with [REDACTED] of your organization, we wish to inform you that all work will be terminated under this contract as of May 11, 1953 in order that we may get our final voucher under this contract into the mail for auditing and the processing of the final payment before June 30, 1953. We understand that the appropriation for this contract is 1951 money in its entirety and that it reverts to the general fund as of June 30, 1953. Therefore, we do not wish to get into long drawn out litigation with the General Accounting Office regarding the final payments due under this contract.

It would be appreciated, therefore, if you will see that our May 31 voucher, when submitted, is immediately reviewed by your audit staff and placed in process for payment.

Yours very truly,
